**Byzantine Chain Mail Bracelet** - is a great introduction to working with jump rings and weaving a pattern in the ancient art of chainmail. At the end of this three hour class, you will have a portion of your bracelet completed, and you will have all of the information (and silver) you need to complete the project at home! No prior experience needed.

**Riveted Pendant** - cold connection work - Learn how to put together pieces of metal and decorative items with rivets using cold connection work. This class is all about technique. You will learn how to use nail rivets, tube rivets and wire rivets to make your one of a kind pendant. Learn how to texturize the metal, mix metals and found objects, as well as some basic finishing techniques. No prior experience needed.

**Embellished Chain Necklace** - Start with a piece of chain, and let your creative side take over. You will learn how to make wire wrapped loops and attach your drops to the chain to decorate it to your hearts content.

**Peapod Necklace** - Learn some basics about working with metal while you cut, file, texturize and shape these pea pod pendants. They are as much fun to make as they are to wear!
